

SALES SHEET | PRODUCT HIGHLIGHT

PRESSURE BLOWER

SERIES 07

The Direct-Drive Series 07 Pressure Blower is designed to meet general industrial air-moving requirements. Available in 11", 12" and 14" wheel diameters, arrangements 4 or 10, it's best-suited for air laden with dust and grit and temperatures up to 200°F. Fans are field rotatable into any of eight AMCA standard positions.

THE BOLD DIFFERENCE:

BUILT LIKE A TANK

- All welded construction
- Thick cast aluminum wheel
- Heavy gage materials

HIGH END DESIGN

- One piece cast aluminum wheel Easily
- added accessories
- Mount in any orientation

NO HASSLE MAINTENANCE

- Industrial grade motors needing only lubrication
- Field rotatable housings
- Belt tension adjusted using a pivoting motor base Arrg 10 only

CLAIMS COMPETITORS CANNOT MAKE:

Wildest range of blade styles available

Highest safety factors in the blade design

QUALITY AT EVERY TURN

Hartzell exceeds the standard in the air movement industry, committed to delivering top-quality, reliable products. Our relationship with our customers, and our knowledge, inventive, flexible and hardworking employees are the reasons we've continued and thrived, right here in the USA, for six generations.

Made in the USA

SPECIFICATIONS:

Size	12" - 57"
Material	Steel, 304SS, 316SS
Pressure Range	Aluminium 25"Up to 15" sp

Markets

The Hartzell Hooded Roof Ventilators are designed for a wide range of industry applications:

Chemical

Energy

Food Processing

Heavy Industry

Transportation

Marine

FEATURES

Construction — Heavy gauge, welded, hot-rolled steel fan scroll and base.

Motor Out of the Airstream — Exterior motor mounting for easy electrical connection and lubrication of motor is standard.

Wheel — Radial bladed with excellent self-cleaning characteristics. Prevents material buildup on and around the wheel. Dynamically balanced for smooth operation.

Coating — Standard coating is an industrial grade powder coated enamel.

Performance Guarantee

You have high expectations. So does Hartzell Air Movement. We know you demand the most reliable and durable industrial air movement products available, so we're holding ourselves to a higher standard. We're so sure that our products will out-perform industry standards, we're backing that promise with the industry's first five-year warranty.

Design Services

Hartzell offers designs and engineering support to custom design products to meet your specific applications.
